I texted Howard saying he wanted call with jagmeet later... here is reply:

Jh: Ok. We can make that happen. I think the main thing that we need is a solid answer to the question of why the Act is still needed given that things seem to be subsiding in Ottawa. I think I know that answer, but I expect it will be a question we will need to answer with some of our MPs.

Perfect, I think we need to make big effort to reassure them on this, and offer to work with them collaboratively
